Exelon Corporation

Exelon's vision of providing superior value for our customers, employees and investors extends to the communities that we serve. In addition, the Exelon Foundation and PHI Foundation contributed over \$14 million to communities Exelon serves.

Our employees' efforts complement corporate contributions through volunteering and service on non-profit boards. Our employees volunteered 126,529 hours of community service in 2022. In addition, employees contributed \$12 million to the charity of their choice through the Exelon Foundation Matching Gifts Program and the Exelon Employee Giving Campaign.

More than 18,000 Exelon employees dedicate their time and expertise to supporting our communities through reliable, affordable and efficient energy delivery, workforce development, equity, economic development and volunteerism.
